

Profit and great taste, all rolled into one...

Introducing Shisu premium thaw & serve sushi

Finally... Someone has searched out all that's good from the sea, prepared it in a traditional Japanese method, and is now offering it's premium thaw & serve product line to foodservice operators across North America. No specialty labour required, just thaw and serve. We offer a broad range of premium Maki sushi that's easy to prepare, guaranteed fresh and will offer unparalleled profitability.
