Yellowfin “Ahi” Tuna

- Packaged in high vacuum seal film, specially made for food product storage (remove tuna from packaging prior to thawing)
- 18 month freezer shelf life, 3-5 days once thawed
- Loins, Steaks, Saku Block & Poke: contain rosemary extract & radish juice
- The rosemary extract is an anti-oxidant – very healthy for you. The rosemary extract causes an enzyme reaction which takes on the color. The rosemary also naturally preserves.

Product of Mexico

AVAILABLE IN:

- Marinated ½ Loins 2-3#
- Marinated Full Loins 5-8#
- Marinated 4oz & 6oz Steaks
- Marinated Saku Blocks 16/280g
- Seasoned Poke Cubes 24/200g

Yellowfin tuna is as versatile as it is beautiful! Tastes great raw, grilled, baked, broiled, blackened, pan seared or smoked. Use in salads, poke bowls, nachos or tacos for added value and trend.
